27 February 1967

MEMORANDUM FOR: Deputy Director of Special Activities

SUBJECT : Requirements for African and Near East
Photo Coverage

1. Pursuant to your request for target data on certain Near East and African areas, the following information is submitted:

a. A list of targets in Nigeria and Ghana

25X6

25X6

b. The current COMOR list of targets in Africa and the Near East.

c. A list of other areas of interest submitted by the Office of Basic Intelligence, together with an assessment of the air defense environment in the area of interest previously submitted in memo form on 27 January 1967.

2. In addition, we maintain in our files the Middle East Target Data Inventory and a copy of the Bombing Encyclopedia which is available if required. OBI was to have provided OSA with a refined target list within the areas of
